

## DEVELOPMENT COORDINATION MATRIX

Priority areas	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral	
Promoting job creation and competitiveness	Structural reform	IMF	Central bank reform, banking supervision, prudential standards and safeguards assessment, capital markets	Switzerland	Banking sector development strategy and implementation monitoring, bank restructuring, capital market development, monetary policy
		World Bank	Banking reform, payment system, rural micro finance, credit information	Japan	Financial and monetary policy, offsite supervision, SME finance, SOE reform, FDI promotion
				US	Banking policy, securities market development (advisory), money market development, AML
	Physical connectivity	World Bank	National roads, rural transport, inland waterways, road management and maintenance	Australia	Pre-feasibility and feasibility project design, road management and maintenance
		Multi-donor funds: GEF, CIF	Sustainable transport systems, emissions reduction, and low carbon transport options	Japan	Roads, bridges, tunnels, master plans, railways, airports, road management and maintenance, road safety, capacity building
				France	National and ring roads
				Korea	National roads, management and maintenance, rural transport, inland waterways
	Private sector development	European Union	SMEs (incubator, local business environment)	USAID	Business-enabling environment reforms, trade facilitation
		UN	SME policy, business registration, trade policy	Australia	Trade facilitation, microfinance expansion, support to MPDF operations, funding of ADB Mekong Business Initiative
		IFC	Bond market development, risk management; expanding finance for SMEs		

Priority areas	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral	
	Public expenditure and fiscal management	World Bank	PFM reform, budget and fiscal reform, decentralization, customs	SECO	PFM, fiscal reform
		UN	PAR master plan implementation, HCMC and MARD. Legal system development strategy. Civil society, business, parliamentary development, budget oversight	Japan	Legal reform, civil service reform
				Australia	Governance capacity building, human rights technical cooperation, Viet Nam–Australia monitoring and evaluation strengthening program
		EU	Institutional strengthening, State Audit, state bank, taxation, customs, accounting, auditing, insurance and quality control, state budget reform	Germany	State budget reform and medium-term fiscal frameworks, capacity building in complex PAR activities, developing budget framework
				USAID	Governance for inclusive growth program
Increasing the inclusiveness of infrastructure and service delivery	Inclusive urbanization	EIB	Urban metro-rail	France	Urban metro-rail, urban development, water supply, waste water treatment, climate change adaptation and mitigation measures.
				Germany	Urban metro-rail, waste water and solid waste management in cities, IWRM
		UN	Water supply and quality, urban development policy	Japan	Urban metro-rail , urban and rural water supply and sewerage, urban transport development
		World Bank	Urban development, with a focus on water and sanitation	Switzerland	Wastewater treatment and management
	Access to services - education	EU	Education management and sector support	Australia	ADS vocational training, primary education, Australian leadership awards
		World Bank	Primary and higher education, curriculum development	Germany	Vocational training
		UN	Girl's education, early childhood development and primary education, local	Japan	Primary education (curriculum development, training, management);

Priority areas	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral	
	Access to services - health	European Union	capacity development Health sector in Northern Uplands and Central Highlands	Germany	higher education Health referral systems, family health
		World Bank	Hospital financing, health sector reform	Japan	PHC in Northern highlands, reproductive health
		UN	Maternal and child health, nutrition, immunization, Malaria, TB, emerging diseases	Netherlands	Human resource development, HIV/AIDs harm reduction
	Remote and rural groups	UN	Early childhood development, children friendly education, lower secondary education, focusing on disadvantaged groups, education for ethnic minorities	Germany	Rural development, food security
		World Bank	Rural electrification, Northern mountains poverty reduction	Belgium	Rural development, rural infrastructure, irrigation, water resource management
Improving environmental sustainability and climate change response	Resource management	European Union	Integrated rural development	Australia	Capacity Building, water resources management, climate change adaptation and mitigation
		FAO	Policy advice, capacity building	Japan	Veterinary research, support to the Agricultural Engineering Institute and Water Resources Institute, plantations, reforestation and carbon forestry
		IFAD	Integrated rural development	France	(AFD) water resource management, flood protection, rural infrastructure, crop production (tea, coffee and rubber), energy efficiency and sector reform
		World Bank	Agriculture diversification, water resources management, power generation and transmission, energy efficiency, renewable energy	Netherlands	Policy, capacity building, PPP development, certification, water resources management
		EC	Forest sector development	Germany	Sustainable forest management

Priority areas	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral	
	Climate change response	UN	Capacity building and policy advice for energy conservation in SMEs, and in public lighting, clean development mechanism for hydropower and energy efficiency	Germany	KfW: power generation, transmission and distribution GIZ: renewable energy (focus on wind), policy
		World Bank	Climate resilient cities, economics of climate change, adaptation crops and coastal infrastructure, biodiversity conservation, industrial energy efficiency and pollution abatement	Japan	Power generation, transmission, and distribution. Master plans, technical and safety standards, energy efficiency, renewable energy, policy
		Nordic Development Fund	Climate resilience of poor communities in the Mekong Delta; integrating climate change considerations into urban planning	Germany	Climate change adaptation and mitigation in forestry sector, payments for ecosystem services
		UN	Climate change capacity-building support to MONRE, MARD and MPI, Reduced Emissions from Degradation and Deforestation (REDD) with FAO and UNEP	Japan	Voluntary carbon market analysis and development, payment for ecosystem services, emissions inventory
				France	(AFD) Support for climate change mitigation planning, renewable energy and energy efficiency policy
