Module Description	01
Questionnaire for Enabler Ecosystem Assessment	01

Module Description

The stakeholder engagement planning section helps you identify and classify stakeholders in the FSM ecosystem based on their level of interest and influence.

Users are expected to identify the stakeholders in their city under the following broad categories and further identify the level of interest and influence of each of the stakeholder in the FSM ecosystem.

Influence is the power that stakeholders have on the project i.e. in terms of controlling the decision-making process and facilitating the implementation. (The influence scoring scale has 6 levels – Unknown, Little or No, Some, Moderate, High and Crucial)

Interest is characterized by the stakeholders’ needs, constraints and problems being a priority in the region’s FSM strategy. (The interest scoring scale has 6 levels – Unknown, Little or No, Some, Moderate, High and Crucial)
